REMARKS

On 07 February 2016 at approximately 2330 hours, I, a Middletown Police Officer was on routine patrol traveling south bound on High Street.

I observed a black Chevrolet S10 pick-up truck traveling northbound towards me with no front registration plate. As the truck passed my location I observed that it did not have illuminating tail lights. As I turned around catch up to the vehicle I observed that the operator of the vehicle began to accelerate and then turned onto Liberty Street (west bound). As I got to Liberty Street just seconds later, the vehicle was no where in sight. I observed tire tracks leading into the driveway of #135 Liberty Street which leads to the rear of the residence.

I drove to the rear of #135 Liberty Street where I observed the vehicle. As I used my spotlight to illuminate the interior, I observed a person sitting in the driver seat.

I then made contact with the operator; Joshua Thompson (I Thompson immediately admitted that he did not have a license, also that the vehicle was not registered or insured. He also admitted that when he seen me take off he wanted to find a place to park so that he did not get pulled over.

Thompson was consequently issued a Misdemeanor Summons and Complaint ticket #MC379763 for CGS: 14-96c; Failure to have Tail Lights, CGS: 14-36c; Failure to have a License, CGS: 14-12a*; Operating an Unregistered Motor Vehicle & CGS: 14-213b; Failure to Carry Minimum Insurance. He was given a court date of 02/25/2016 at 0900 hours, located at GA:09.

Nothing further.

REMARKS

On 2-24-16 at 1232 hours, Sgt. Fuchs, Officer Kraeger, and I were dispatched to a Domestic Incident. Dispatch related that the Victim had called and stated that his wife, Ms. Karen Erardi, had pointed a gun at him and then left the scene, stealing the gun.

I have dealt with the two in the past, specifically an incident on 1-19-16 in which Ms. Erardi was accused of slipping unknown pills into the Victim's beer in a possible attempt to kill him. This incident is still under investigation, case #16-1362.

En route to the scene, I called Ms. Erardi's cell phone, as it was in my notebook. She answered and I explained that the Victim had called and stated that she had stolen his gun. I explained to her that she needed to return to the scene with it due to the seriousness of the incident. She stated, "But I don't have it anymore." I told her that she needed to get it back and bring it back to the residence. She stated that she had not taken it from the scene and had hidden it in the house. She stated that she would respond back to the residence.

Upon my arrival on the scene, Ms. Erardi was back. She did not want to discuss the incident. I then spoke with the Victim. He stated that Ms. Erardi had come to the residence as she tends to do to pick up her mail. He stated that she came into the garage and began an argument with him over him reporting the incident with the pills. He stated that she then grabbed his shirt with both hands and "jacked him up" against the wall, yelling at him. He stated that she then let him go and he went down into the cellar.

Ms. Erardi followed him into the cellar. He stated that the argument continued and Ms. Erardi picked up a .22 caliber rifle that was against a wall there and held it just below chest level and pointed it directly at him. She stated, "Come and try and take it!". The Victim stated that he said to her "But it's not loaded." She replied with "How do you know that I didn't load it!?", as there was a box of bullets for the rifle on the table next to it.

After a few more moments of arguing and having the rifle pointed at him, Ms. Erardi left. She told the Victim that she was taking the gun to "go throw it into a field" because he doesn't deserve to have it.

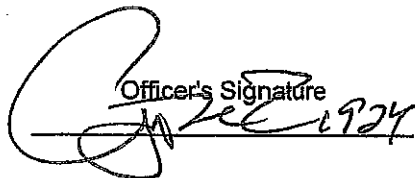

We located the rifle back in the cellar where it was supposed to be. I obtained a written and sworn statement of the incident from the Victim.

Ms. Erardi was arrested, transported to HQ for processing, and charged with Threatening 1st, Reckless Endangerment 1st, and Breach of Peace 2nd. She was held on a \$75,000.00 surety bond with a court date of 2-25-16 in GA 9.

It should be noted that Ms. Erardi has not resided at this residence in over a year and has been staying with her son on Goodyear Ave since. She does still have some belongings there and only goes once in a while to check her mail.

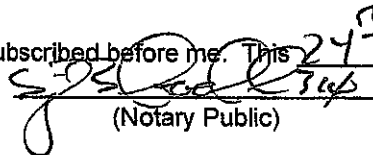

The Victim also had a shotgun at the residence. He had a friend over that we turned the .22 rifle and the shotgun over to for safe keeping until Protective Orders are put into place by the court. All serial numbers and the permit were verified through dispatch. The .22 caliber rifle was a Winchester Model 74, serial #107508. The shotgun was a 12 gauge Savage Arms Model 77B with no serial number do to its age.

REMARKS

On 2/22/16 at approximately 1850hrs I (Officer Wasilewski) was traveling eastbound on Grand Street when I observed a gray Infiniti I30 (bearing CT registration 730LBK) which had dark tinted front windows, in violation of CSG 14-99g. I ran the vehicle registration through central dispatch at which time they informed me they found no record of the registration.

I followed the vehicle onto DeKoven Drive and conducted a motor vehicle stop at the intersection of DeKoven and Court Street. Upon making contact with the operator I asked for her drivers license and identified her through her CT identification card as Jocelyn Sanchez. Sanchez stated she did not have a drivers license. I then asked Sanchez for her vehicle registration and insurance. Sanchez stated the vehicle was not insured or registered yet because she bought it a couple weeks ago and had not been able to register it yet. She was able to provide a title for the vehicle as proof that she bought the vehicle. Sanchez stated she put the license plate on the back of the car temporarily until she was ready to have it properly registered. She said it belonged to one of her older vehicles.

Sanchez was issued a misdemeanor summons (MC 330227) for violation of CGS 14-147(c) Misuse of Plates, 14-213(b) Failure to Carry Minimum Insurance, 14-12a* Operating an Unregistered Motor Vehicle,

14-36a Operating without a License, and 14-99g Illegal Tints. She was issued a court date of 3/9/16 at 0900hrs and told she would have to appear at the GA 9 Court House on that date and time. She stated she understood.

REMARKS

On Monday 02-22-2016, at approximately 2040 hours Sgt. Yepes was conducting surveillance in the area of Grand Street and Clinton Avenue. This is a high crime area with numerous documented incidents of narcotics related arrests. The narcotics unit has received information regarding drug sales in this area from arrested persons, concerned citizens and confidential informants.

Sgt. Yepes observed a Red Nissan Maxima bearing CT registration marker 9APMR0 traveling E/B on Grand Street and turn left down Clinton Avenue. The same vehicle came out of Clinton Avenue a short time later and traveled W/B on Grand Street and took a left turn onto Pearl Street heading in an S/B direction. Approximately 5 minutes later Sgt. Yepes observed

the same vehicle repeat the above traffic pattern. At that time Sgt. Yepes contacted Detectives Stead, Peck, and I, (Detective Lathrop) and explained what he had observed and asked us to try to locate the vehicle. We were parked in the area in unmarked MPD Police vehicles. We started to canvas the area for the vehicle but we were unable to locate it at that time. A short time later Sgt. Yepes again contacted us and said the vehicle was back on Clinton Avenue and taking a left turn onto Grand Street, consistent with the pattern from earlier. Detective Peck and I were parked a short distance away and we observed the red Maxima make a left turn onto Lincoln Street from High Street. The Red Maxima had heavily tinted windows with no tint inspection stickers visible, a violation of CGS 14-99g(g). The Maxima made a left turn onto Pearl Street from Lincoln Street and a right turn onto Grand Street. The Maxima deviated from its pattern from earlier once we were behind it and drove past Clinton Avenue and instead stopped at the red traffic control signal at the intersection of Grand Street and Main Street.

Due to Sgt. Yepes observations of the vehicle, which are consistent of a possible narcotic transaction or someone looking to make a narcotic transaction and the window tint violation I activated my emergency lights and siren and conducted a motor vehicle stop on the red Maxima.

The Maxima came to a stop on Main Street near the intersection of Liberty Street. I approached the vehicle on the driver side and told the operator to turn off the vehicle which he did without incident. Detective Peck approached the vehicle on the passenger side. I asked the operator for his license, registration, and proof of insurance. The operator was identified as Abraham Julia from his CT ID card. I asked Julia if he had a valid operator's license and he stated he did not. MPD dispatch advised Julia's operator's license was suspended. Detective Peck observed small pieces of tin foil in the center console. Detective Peck asked Julia about the foil and he stated he didn't know what the foil was there for because it was his girlfriend's car. I know through my training and experience tin foil is sometimes used to store illicit drugs and narcotics so I instructed Julia to step out of the vehicle.

I conducted a pat down of the operator for weapons with negative results. I asked Julia if he had any illegal narcotics or illicit drugs on his person or in the vehicle and he stated he did not. Julia stated "go ahead and look in the car". Prior to conducting the search of the vehicle MPD dispatch advised Julia had an active arrest warrant. I placed Julia in handcuffs which were double locked and checked for tightness and advised Julia he was under arrest. Julia stated he knew he had a warrant for his arrest for motor vehicle charges.

Detective Peck conducted a search of the Maxima. He located two small pink oval shaped pills in the center console area near the tin foil. These pills were identified as Citalopram hydrobromide 20 mg. using the Drugs.Com Pill Identifier Citalopram 20 mg is not a controlled substance under the Controlled Substance Act (CSA) but is available by prescription only. No other contraband was found in the vehicle. Julia stated he believed the pills were his girlfriends but there was not a prescription bottle in the vehicle for the pills and no valid prescription located inside the vehicle.

Ofc. Wasilewski arrived on scene in a marked MPD vehicle to transport Julia to MPD headquarters for processing. The vehicle was towed from the scene by Personal Auto.

Once back at MPD headquarters Detective Peck advised Julia of his Miranda Rights in writing which he acknowledged and signed off on at approximately 2120 hours. Julia was then fingerprinted, processed and photographed under UAR# 8872683 in violation of CGS 21a-108 Illegally Obtaining Drugs. Julia was also processed under UAR# 8872684 in violation of CGS 14-215(a)* Operating Under Suspension (SBS OFF) and 14-99g(g) Tinted Windows W/O Inspection Sticker. Julia was released on a \$25,000 non-surety bond and issued a court date of 03-07-2016 at GA-09.

REMARKS

On Tuesday 02-23-2016 at approximately 2200 hours I, Detective Lathrop was traveling E/B on Grand Street in an unmarked Police Vehicle. Directly in front of my vehicle was a tan GMC Envoy bearing CT registration marker AB97630. The Envoy did not have an illuminated marker light, a violation of CGS 1496c. I activated my emergency lights and siren and initiated a motor vehicle stop of the above vehicle for the marker light violation.

The vehicle came to a stop at the intersection of Grand Street and Main Street. I approached the vehicle on the driver side and Detectives Stead and Peck approached on the passenger side. As I approached I observed the operator as he rolled down the front driver side window. The operator, later identified as Shaun Holloway from his CT ID card was already going through various items in his vehicle when I approached. I instructed Holloway to stop what he was doing and to put his hands on the steering wheel for my safety. Holloway stated the vehicle was his father's and he did not know where the registration and insurance card was so that was what he was doing when I approached. Holloway then admitted his operator's license was suspended and he was going to court on Monday 02-29-2016 to try to get it back. The car was occupied by two other individuals, one in the front passenger side and one in the rear passenger side.

MPD dispatch advised Holloway had a suspended operator's license. A DMV record check showed Holloway's operator's license was suspended on 08-23-2006.
